

## Book Report Guidelines

Reading a good novel is very important to the development of your reading and also writing skills. You will be asked to complete the reading of library book each month that is at their STAR reading level. While reading a reading log will need to be completed that will be checked BEFORE taking AR test. You will choose the book that you want to read. After reading the book you are required to take and pass the corresponding AR test. The due dates for the test are listed below. The test must be signed before being turned in. You will also be required to choose a variety of books within your reading level.

The following dates are when the signed report showing that you passed your AR test is due.

Seventh		Eighth
