

November 23, 2009

From the Principal:

Fall is in the air and with Thanksgiving on Thursday we begin the final days of the calendar year. Last week progress reports came home for you to see mid-quarter grades and for most this was a good thing. Some of our students were reminded that school work is required everyday and I'm confident every student's grades will be acceptable by the end of the quarter.

St. Bernard's Catholic School is enjoying another great year. The success of our school is because of the wonderful students we have in attendance and the support of our parents. I'd like to thank everyone for their support with the Sally Foster and Harvest Dinner fundraisers. Both fundraisers were very helpful for the school's financial success.

With Thanksgiving vacation beginning on Wednesday we are reminded of how much to be thankful for. At St. Bernard's Catholic School we are committed to providing the very best education for your children. The education you are providing for your child is one which is priceless and meaningful. I have received so many positive comments about our graduates from their respective high schools. If I don't say it enough, thank you for the trust you have given us here at St. Bernard's Catholic School by having your child at St. Bernard's.

With Christmas, gifts are many times given to celebrate the birth of Christ. The greatest gift we have at St. Bernard's are our students, teachers, staff and parents. Know that we appreciate all you have done for your child's education and St. Bernard's Catholic School.

We hope that each and every one of you has a wonderful Thanksgiving and Christmas.
