

August 3, 2011

Dear Parents,

I would like to welcome you and your child to a new school year. I hope you have enjoyed your summer vacation and are ready to jump right back into learning. At this time I would like to introduce myself. My name is Ms. Cesco and I am the new sixth grade teacher. I am looking forward to a wonderful and productive year. I truly enjoy teaching and am very excited to be part of the St. Bernard's staff. I look forward to getting to know all the staff, children, and parents. As an educator, I truly believe that children deserve the best education possible and my first priority as a teacher is to assure that my students are successful.

For some background on me, I have been teaching for 2 years. I have worked with various ages from preschool to junior high. I knew that I enjoyed working with children at a young age and wanted to be a teacher when I got my first job as a swim instructor. Many teachers inspired me along the way as I attended California State University, Sacramento and received a Bachelor of Arts degree in Liberal Studies with a concentration in Human Development and a Multiple Subject Teaching Credential.

When not teaching I love spending time with my friends and family. I enjoy attending baseball games (Go A's!) and playing games such as Uno, Scrabble, Scategories, and Apples to Apples. I also love to go to the movies and concerts. And I love to read and scrapbook when I have some spare time.

I am very excited to start the school year with all of you. I cannot wait to begin the fun activities I have planned for the year. I look forward to a fun and productive year with my sixth grade students, as well as the rest of the school. And I am mostly looking forward to meeting you and your child!

Have a blessed last couple of weeks of summer and I will see you and your children on the first day of school.

Sincerely,

Heather Cesco
